Health and Safety

The Health & Safety at Work Act (1974) applies to everyone who enters and uses Glasgow Clyde College facilities. It is intended to protect health and to ensure personal wellbeing and safety.

Importantly, this Act requires everyone to be responsible for their own safety and for the health and safety of others. You must familiarise yourself with emergency exits and evacuation procedures for the areas you are located in, and you must vacate the premises immediately whenever the fire alarm sounds. If you have mobility problems you will have an individual evacuation procedure agreed with the College Health and Safety Officer prior to starting your course.
